Winners announced in annual 2020 Top 50 Under 40 Program

The *Mississippi Business Journal's* 2020 Top 50 Under 40 awards program was slated to take place on April 30th, 2020, but due to COVID-19 restrictions, the *Mississippi Business Journal* decided to cancel the awards program for the safety of the honorees, community and MBJ staff. Instead, *Mississippi Business Journal* will release a video presentation and special publication to highlight 2020 honorees.

"We are truly pleased to recognize and honor a great group of Mississippi's business and civic leaders under 40. These deserving men and women have already proven themselves as high achievers and trend setters, and we have no doubt that many of these individuals will go on to even greater success in the years to come. We'd like to offer our congratulations to each and every one of these top business professionals, and ask for you to be on the lookout for the video presentation and special publication that will highlight the 2020 Top 50 Under 40 person of the year, and Top 10 from this group. The COVID-19 pandemic has forced us to do this event differently this year, but we felt it crucial to highlight this great group!" said Tami Jones, Publisher of the *Mississippi Business Journal*.
